Governor Michael F. Easley
20301 Mail Service Center
Raleigh, North Carolina 27699-0301

Dear Governor Easley:

We are writing to urge you to publicly denounce the Coalition for a Secure Driver's License bigoted attack on Arabs and Muslims and reject efforts to deny driver's licenses based on immigration status.

The Coalition has announced an inflammatory and misleading billboard campaign in North Carolina and New Mexico which contains extremely negative images of Arabs and Arab cultural symbols with the message, "Don't License Terrorists, North Carolina." The billboards unfairly conflate the question of immigration and national security and cast a shadow of suspicion on Arabs and Muslims, unfairly equating them with terrorism and encouraging an environment that can lead to prejudice and hate crimes. In doing so, the ads utilize false stereotypes and racist rhetoric to promote an anti-immigrant agenda.

The issue of who gets driver's licenses is not about terrorism. It is about a reliable state program to license those who can safely drive. Having all residents licensed makes sense as it will assist law enforcement to locate those included in the system, increase the level of safety on the state's roads and promote insurance coverage. Accepting the coalition's proposal would detract from the intended purpose of the state's driver's license program and saddle the state with the weaknesses of the national immigration system.

Governor Easley, we again urge you to speak out against this hateful billboard campaign to ensure that these ads do not become a reality in your state and oppose proposals to make the state driver's license less effective.
