

WILL YOU JOIN US IN CALLING ON THE UNITED STATES TO LEAD BY EXAMPLE?

This September, both the United Nations and President Obama will host summits about the refugee crisis with world leaders.

Global goals include:

- Increasing humanitarian aid by 30%
- Doubling the number of refugee resettlement opportunities
- Guaranteeing the right to work for one million more refugees
- Ensuring access to education for one million more refugee children

Dear President Obama and Members of the U.S. Congress:

I'm proud that the United States is urging world leaders to improve the collective response to refugee crises around the globe. I call on all U.S. policy makers to lead by example by increasing refugee resettlement here in the United States and ensuring adequate funding for refugee assistance overseas and U.S. resettlement.
